

Need a worry free vacation? Put a switch on it.

The Rotating Switch by Drain Alert provides added protection from water leaks from your air conditioning system.

Drain Alert Rotating Switch provides:

- protection against water leaks due to clogged drain line
- automatically discontinues system operation
- system protection while you're away from home
- totally maintenance free monitoring

You can have confidence that the protection and peace of mind will be yours with the Drain Alert Rotating Switch.

Ask your Sun Kool Air Conditioning Service Technician how you can have the Rotating Switch Drain Alert installed in your existing air conditioning system with no additional labor charges.
