Dear Diane:

On behalf of the residents of Spruce Creek Golf & Country Club, thank you for your generous sponsorship of the 2019 Spruce Creek Senior Games for Charity. This community event took place between February 24th and March 15th, 2019. Over 1,300 of our residents participated in 1 or more of the 104 different games and sports offered.

Your support, along with the support of other, generous organizations in the area, covered the majority of the Games' operating expenses. As such, we were able to raise \$21,000 in proceeds, which was donated to Community of Gratitude and Patriot Service Dogs during our Closing Ceremony.

Again, thank you for your support of our community and the 2019 Spruce Creek Senior Games for Charity. Your support helped make this year's Games a great success!

We hope to be as successful for our 2020 games with your support again.

Sincerely,

Richard Decker  
Co-Coordinator/Resident
